

NOTICE OF FILING

This notice is being provided as a result of the filing of a permanent alien labor certification application for this job opportunity. Any person may provide documentary evidence bearing on the application to the Certifying Officer of the Department of Labor:

U.S. Department of Labor
Employment and Training Administration
Office of Foreign Labor Certification
200 Constitution Avenue, NW
Room N-5311
Washington, DC 20210

TITLE: **Sr Analyst I Software Engineering**

JOB DUTIES: Contribute to software development projects by writing, testing, and debugging code, with an emphasis on complex and critical components. Collaborate with team members to meet project requirements, actively participating in design and code reviews. Provide technical expertise and support to team efforts, acting as a subject matter expert in specific domains. Assist in solving complex technical challenges, researching and proposing solutions. Participate in defining software requirements and specifications. Debug and troubleshoot production issues, working closely with operations and support teams. Contribute to the assessment and adoption of new technologies and best practices. Mentor junior team members, providing guidance and knowledge sharing. Will work at unanticipated client sites throughout the U.S. Telecommuting is permissible.

REQUIREMENTS: Position requires a Bachelor's degree or a foreign equivalent in Computer Science, Engineering (any), Mathematics, or related field, and 3 years of work experience in any occupation in which the required experience was gained.

In lieu of a Bachelor's degree or foreign equivalent, will accept a Master's degree or a foreign equivalent in Computer Science, Engineering (any), Mathematics, or related field, and 1 year of work experience in any occupation in which the required experience was gained.

JOB INFO: Ashburn, VA; 40 hours/week. Annual Salary range: \$126,090.00 - \$156,700.00. Full-time hires are eligible to participate in the DXC benefit program. DXC offers a comprehensive, flexible, and competitive benefits program which includes, but is not limited to, health, dental, and vision insurance coverage; employee wellness; life and disability insurance; a retirement savings plan, paid holidays, paid time off; and much more.
