

DXC Assure Cloud

Revolutionize legacy systems with advanced cloud technology that optimizes performance and data security.

Transforming insurance with cloud innovation

In the dynamic insurance sector, technological agility is key to staying competitive. DXC Assure Cloud is your strategic partner in this journey.

Legacy systems, often seen as a hindrance, are transformed into assets with DXC Assure Cloud. Our solution:

- **Transports** traditional applications to the robust AWS cloud environment
- **Boosts performance**, customizing legacy systems for the cloud era
- **Ensures security** with stringent data encryption and identity management
- **Keeps your software ahead** with continuous updates to AWS technologies
- **Uses more than 90 specialized tools** for security, logging and reporting

With DXC Assure Cloud, you're not just adapting; you're leading the way.

By the numbers:

- **19 million+** policies managed on AWS
- **200+** cloud transformations successfully executed
- **8,000 AWS certifications** held by our experts
- **Millions in savings** reported by customers using DXC Assure Cloud

Key benefits

- **Peak performance.** DXC Assure Cloud enables your applications to run at their best.
- **Robust security.** Your data remains secure with our advanced protection measures.
- **Future-readiness.** Continuous updates keep your software at the forefront.

DXC Assure Cloud in action

DXC Assure Cloud enables insurers to fully embrace the potential of cloud without extensive system modifications. Use cases include:

- Efficient cloud migration for policy management systems
- Enhanced decision making through real-time data analytics

DXC Assure Cloud features

- **Cloud optimization.** Tailors your applications for optimal cloud performance
- **Security.** Incorporates advanced data encryption and identity management at its core

DXC Assure Cloud business value

Customers report substantial return on investment and cost reduction after adoption. Industry experts commend DXC Assure Cloud for its forward-thinking approach to cloud transitions.

Why DXC?

DXC Technology's proven expertise in cloud insurance solutions enables performance and cost savings.

DXC Assure Cloud capabilities

- **Seamless cloud transition.** Effortless migration of legacy systems to AWS
- **Operational analytics.** AI-powered insights for operational enhancements
- **API integration.** Access to 9,000+ APIs for expanded functionality
